

MORE THAN JUST
MATTING

COBA
africa

Office 2018-19
Floor mats & floor-level
safety solutions catalogue

Regardless of office size, there is always a responsibility to provide a safe and clean environment for employees and visitors. COBA Africa is proud to offer a collection of floor level safety and hygiene products for the modern office. Choosing quality first time gives you peace of mind and saves you time and money in the long run.

Our History

COBA has been providing effective, and innovative, matting and flooring solutions for over 30 years. In this time, we have expanded and refined a range of dependable products, ideal for the office.

Our Passion

Floor mats are an often-overlooked item, but if the right product is applied first time, the benefits can be felt further down the line – from initial cost savings through to reduced cleaning or even improved productivity.

Our Reach

As part of the international COBA group, which has localised facilities in the UK, Europe and South Africa, our customers have the reassurance that they are dealing with a professional, global name with a long-established heritage in the floor matting industry.

Service

Our experienced team of matting experts are on hand to talk with you and determine the best product solution for your environment, so that your investment is rewarded.

Solutions

Our product range offers an option for every budget and situation. It broadly spans comfort standing mats for personnel in the workplace, loose lay and fitted entrance mats, floor tapes, and other floor safety accessories.

Next Day Delivery

We are able to offer next day delivery on stock items – please request when placing your order. Standard delivery is 2-3 working days. [EU]

Next day delivery available on selected products. [SA]

Health and Wellbeing

An increasingly hot topic in recent years, the health and wellbeing of workers is not only important, but if properly managed can provide return value through reduced absenteeism and staff turnover.

Slips and Trips

Still the largest cause of accidents in the workplace, serious injury can occur in an instant. Effective entrance matting can reduce walked in dirt and moisture, greatly reducing risk. Non-slip accessories throughout the building then further protect you from this costly hazard.

Cleaning Costs

It can cost Thousands of Pounds to remove 1kg of dirt once inside a building and it's possible for 1 person to walk in 0.58 grams of dirt per day. 1,000 people in 20 days generate 11kg.

Entrance matting can reduce walked in dirt by up to 90%.

COBA africa

COBA's unique vision is to be a growing and caring organisation striving to achieve better results, year on year. We will achieve this by blending investment programs in all business activities, using modern equipment and systems with dedicated and highly competent people in all areas.

By working in partnership with our employees, customers and suppliers, we strive towards achieving world class leadership in

Quality, Engineering, Design, Delivery, Service and Management of all products, coupled with the lowest cost achievable through never ending development and continuous improvement. To achieve this, we will ensure that activities will be conducted safely and do everything we can to ensure the continued health of our employees and customers. We will act responsibly in relation to the environment and will work towards the principles of sustainability.

Global Supply Chain

COBA Africa's key mission is to market and provide the most comprehensive range of high quality products using a unique blend of technical expertise and highly skilled service such that we completely fulfil our customers' buying experiences.

Supply Chain Solutions

With COBA sales offices and distribution facilities in Cape Town and Johannesburg, our business is strategically positioned to efficiently supply and support customers throughout South Africa, from the North West of the region to the Western Cape.

In Store Support

Our merchandising services take brand offerings to the next level, creating excitement around products, services and brands at store level. Our dedicated sales team is always available to support the sales and merchandising staff who 'make it happen' on the retail shop floor.

Standing Mats

Improving standing comfort and safety

For decades, COBA Africa has been a market leader in safety matting, and today we offer one of the most comprehensive ranges for all types of working environments, from industrial to catering and retail. Whether it is to reduce slipping or provide fatigue relief from standing, we have a solution to suit a wide variety of budgets and needs.

The facts:

Musculoskeletal disorders (MSDs) are injuries or conditions affecting the movement of the human body, including both lower and upper limbs. MSDs are the most common occupational disease in the European Union. They can, in many cases, be prevented.

Over 40 million workers in Europe are affected by MSDs attributable to their work, costing some **240 billion euros per year** in lost productivity. (Source: European Agency for Safety and Health at Work.)

EU member states are set to see **50% of their population diagnosed with an MSD by 2030**. (Source: Fit for Work Europe Coalition, The Work Foundation)

Orthomat® FFICE

Orthomat® Office

The Science behind Orthomat® Office

The cushioning encourages regular foot movement (even in static positions) as the feet subtly adapt to the mat's surface, which helps circulation. This subtle movement forces the foot and calf muscles to expand and contract, which activates the Venous Pump, pushing blood back up to the heart, as happens naturally when we walk. This makes standing on Orthomat® Office more comfortable than on a hard surface. Standing in one position on hard surfaces puts extra pressure on the walls of veins making the heart work harder and causing feet to swell; conditions that can lead to pain and physical fatigue/injury. Orthomat® Office effectively helps to reduce the pressure, and ultimately the pain.

1. Dimensions

Handy size for ease of handling making lifting and moving an effortless task. Fits into most office workstations.

2. Anti-Fatigue

Helps to delay the onset of pain and tiredness otherwise experienced from standing on hard or firm floor surfaces.

3. Design

Carefully designed incorporating high-density foam to provide just the right balance between cushioning and foot support for users of standing desks.

4. Material

Made from Polyurethane, a resilient material renowned for its durability. Can withstand a wide range of footwear.

5. Backing

Features a textured underside and gentle bevelled edges to reduce trip hazards, while creating a neat 'anti-curl' finish that sits flush to the floor.

Orthomat® Office

The new standard in standing at work

Carefully designed incorporating high-density foam to provide just the right balance between cushioning and foot support for users of standing desks. - Helps to delay the onset of pain and tiredness otherwise experienced from standing on hard or firm floor surfaces. - Features a textured underside and gentle bevelled edges to reduce trip hazards, while creating a neat 'anti-curl' finish that sits flush to the floor. - Made from Polyurethane, a resilient material renowned for its durability. Can withstand a wide range of footwear. - Handy size for ease of handling making lifting and moving an effortless task. - Product Height: 16mm

Size	Black
0.5m x 0.8m	OO010001

Orthomat® Standard

The original fatigue fighter

Single layer foam anti-fatigue workplace mat with textured surface. - Ideal for light to medium use in dry environments. - Safety version available with bright yellow borders. - Insulates against cold concrete floors. - Product Height: 9mm

Sizes	Black	Black/Yellow

Non-Slip flooring

Orthomat® Premium

The ultimate in durable anti-fatigue mats

Dual fused layer construction for superior comfort and durability. - Tough PVC foam textured top surface for excellent resilience against wear and tear. - Low density under layer provides extremely effective underfoot cushioning. - Exceptional fatigue-relief properties – a real investment for the workplace. - Ideal for demanding locations, especially where regular turning is involved. - Tapered edges to reduce trip hazards. - Range of colours available. - Product Height: 12.5mm

Sizes	Black
0.6m x 0.9m	FF010001
0.9m x 1.5m	FF010002
0.9m x 18.3m	FF010003
0.9m x per linear metre	FF010003C

Comfort-Lok

Durable, modular matting

Ideal anti-fatigue matting for greasy or oily areas. - Hardwearing natural SBR rubber and nitrile. - Suitable for high temperature environments. - Comfortable standing surface for operatives. - Diamond patterned surface provides underfoot grip. - Conforms to Slip Resistance Test EN 13552 Category R9. - Interlocking modules or single mat (edged all round). - Product Height: 12.5mm

Sizes	Part Code
0.7m x 0.8m (edged all round)	CL010004
0.7m x 0.8m (interlocking middle piece)	CL010002
0.7m x 0.8m (interlocking end piece)	CL010001

KwikLok

100% Recycled PVC Interlocking Floor Tiles

Easy DIY installation. - Popular low cost flooring for inside the house or office, playrooms and garages. - No adhesive required. - Made from recycled PVC – non conductive and fire resistant. - Please note: This product may discolour and warp if laid in areas exposed to direct sunlight. - Product Height: 6mm

Tile Size	Black
465mm x 465mm (4 tiles)	RUBKL64

GripSafe Anti-slip, protective liner

Ideal non-slip liner for work benches, shelves, drawers and trays. - Cushions and protects components. - Easy to cut and trim to shape. - Manufactured from PVC foam. - Machine washable. - Product Height: 4mm

Sizes	Black
0.6m x 1.2m	GS010002
0.6m x 10m	GS010001

Knee-Saver Take the strain out of kneeling

The ideal pad for all those uncomfortable kneeling jobs. - Reduces knee pain and lower back stress caused by regular kneeling. - Lightweight to carry – only 0.35 kg per pad – with carrier handle. - Resistant to oils and chemicals. - Manufactured from closed cell PVC/nitrile blend foam.

Size	Part Code
530mm x 360mm	KS010001

Gripfoot
Grit tape, cleats and tiles
for slip-resistance

Abrasive grit 'anti-slip' products with self-adhesive backing available in tapes, cleats and tiles. - Provides additional grip underfoot on smooth surfaces. - Hardwearing and easy to install. - Gripfoot Tape – versatile for floor surfaces, machinery and vehicles. - Gripfoot Cleats (rectangular) are designed for use on steps and stairs. - Gripfoot Tiles (square) are ideal for increasing safety on smooth, tiled floors. - Hazard version (tape only) in yellow/black provides high visibility in darkness or low light conditions. Red/White hazard option also available. - Conforms to Slip Resistance Test EN 13552 Category R13

Tapes	Black	Clear
25mm x 18.3m	GF010001	GF020001
50mm x 18.3m	GF010002	GF020002

Safety Knives

Safety is at the heart of our business

Safety is at the heart of our business. As well as matting, we also offer a collection of innovative and highly effective safety knives. Choose from open or closed blade designs, in disposable or replacement blade options.

Dispo Lite

High performance lightweight disposable safety knife with built in tape cutter and ergonomic handle

Suitable for cutting the following:-

- Shrink wrap
- Pallet strapping
- Box opening (tape cutting)
- Bag opening
- Supplied in packs of 25

Also suitable as a safety belt cutter for the emergency services.

AutoSafe

Ultra lightweight safety utility knife with an innovative pressure sensitive auto retracting blade

Automatic blade retraction on completion of cut
 - No possibility of leaving the blade out unattended. - Easy blade change system – no tools required. - Suitable for left handed and right handed users. - Comfortable ergonomic grip. - Ultra lightweight design - 50 grams. - Durable wear resistant plastic.

Suitable for:

- Warehouse / Distribution
- Picking / Repack operations
- Shrink wrap
- Boxes
- Tape cutting
- Bubble wrap

Automatic Blade Retraction

Blade is exposed using the ergonomic slider...
Easily cuts through

cardboard, banding or wrapping...
As soon as contact is

lost, blade retracts.

COBAGRiP® is a range of UV stabilised GRP sheets, treads and stair nosing designed to offer exceptional levels of slip-resistance both indoors and out, while having outstanding wear and tear qualities. It is an ideal underfoot safety solution for pedestrian and factory walkways, access ramps, gangways and bridges.

The Silicone Carbide 'gritted' top surface provides effective underfoot grip and is resistant to most solvents and chemicals.

It is manufactured using flame retardant materials. Easy to install, simply bond or screw to the existing floor surface, COBAGRiP® is a cost-effective means of refurbishing damaged or slippery floors. Easy to clean (pressure wash).

*Ramp Slip Tested to R13 in accordance with DIN 51130: 2010.
Pendulum Slip Tested in accordance with BS 7976-2: 2002.

COBAGRiP® Stair Nosing

Designed to help prevent slips on stairs

Suitable for use on existing or new-build steps. - Manufactured with chamfered back edge for additional safety. - Bright colour for visibility meeting DDA requirements.

Sizes	Yellow
1.5m x 55mm x 55mm	GRP070003N
1m x 55mm x 55mm	GRP070004N

Rampmat

Honeycomb rubber for all seasons

Manufactured from durable NBR rubber making this a popular doormat suitable for most climates. - Superior slip resistance conforming to Slip Resistance Test EN 13552 Category R10. - Raised circular pattern surface provides grip while scraping dirt and moisture. - Moulded bevelled edging for safety and wheeled access. - Material: SBR rubber. - Product Height: 10mm

Sizes	Black
0.8m x 1.2m	RP010002
0.9m x 1.5m	RP010001

First-Step

Tacky mats for contamination control

A hygienic pad of peel-off adhesive coated, disposable sheets manufactured from an anti-microbial agent to protect against bacteria, mould and mildew. - Once applied to the floor the self-adhesive backing keeps the mat in place. - The 'tacky' sheets capture dirt and dust from footwear and wheeled equipment for contamination control. - When the top sheet becomes soiled, simply peel off to reveal a clean layer. - Adhesive backed pads stick directly to the floor surface.

Size	Black
0.45m x 1.17m	WC000004

Microfibre Doormat

Washable microfibre doormat with super absorbency

Exceptional multi-action entrance mat using hygienic microfibre technology. - Superior 'brushing and wiping' with 'rapid dry' properties – even out performs cotton. - Flexible, ultra-fine fibres (even finer than a human hair) provide deep- cleaning action on passing footwear. - Effectively penetrates those hard to reach treads on footwear and wheeled trolleys. - Friction from the fibres generates a static charge that attracts and traps dust/debris. - Filament structure creates a capillary effect for improved dirt retention/ absorbency. - Luxuriously soft pile that looks smart and will not lint. - Environmentally-friendly – does not require chemical pre-treatment or washing detergents. - Pile material: Microfibre. - Product Height: 8mm

Sizes	Black
0.9m x 0.6m	MF010001
1.5m x 0.9m	MF010002
1.8m x 1.2m	MF010003

Wash & Clean

Economical washable doormat
